17 **ORDER REGARDING PENDING
MOTIONS**

18 At the hearing on the motion to intervene filed by Jerome Clarke, Defendant represented
19 that an individual is required to open an account in his or her own name and Defendant's policy
20 prohibited another person to open an account for a user. The Court directed Defendant to file a
21 copy of the documents setting these terms and informed Plaintiff that he would have an
22 opportunity to file a response. The Court HEREBY ORDERS that Mr. Clarke shall file his
23 response, if any, by no later than January 27, 2025.

24 Additionally, the Court held a hearing on Plaintiffs' motion for final approval of the class
25 action settlement and reviewed the declaration filed by Steven Weisbrot ("Weisbrot"), the
26 President and Chief Executive Officer of the settlement claims administration firm Angeion
27 Group, LLC ("Angeion"). (Dkt. No. 134.) The Court finds that

28 By no later than March 17, 2025, Plaintiffs, either directly or through Angeion, shall file a
status update to inform the Court as to:

1. The status of the late claim forms postmarked after November 18, 2024, including
whether they were approved or denied and the basis for that determination.
Weisbrot stated that these late claim forms will be processed subject to the parties'
approval on a case-by-case basis.
2. The status of the deficient claims, including whether the deficiencies were

remedied.

3. The status of Angeion's audit and assessment of the claim submissions, including the late claim forms the parties have approved.
4. The status of Angeion's administration costs.

IT IS SO ORDERED.
